JAPAN 2009

THE CLINIC @ WHITE HORSE HOTELS

What :

The Clinic is a progression camp that has been designed for snowboarders serious about improving their riding and with the help of our fully certified freestyle coaches you can expect to take your riding to the next level every day.

As with our school, it is our objective to improve your snowboarding as much as possible and a personal plan will be designed for each rider prior to the camp. This will ensure your training can begin before you set foot in Japan.

Where :

Hakuba hosts some of the best terrain available to help you achieve your goals and during your stay at the Clinic you can expect to experience many of the top resorts in the Nagano prefecture. Each with their own unique set up, from endless bowls and steeps to pipes, kickers and rails, there is something to assist all riders achieve their personal goals. Some of these resorts include:

- | | |
|-----------|---------|
| Hakuba 47 | Yaneba |
| Happo-one | Goryu |
| Tsugike | Iwatake |

So if you want some help stepping it up or simply want to join us in riding some of the premium parks and powder the world has to offer, then come along and become a Hakuba rider.

Who :

The Clinic is available to all adult riders looking to step it up. Whether it be your first powder turn or stomping that new trick, we have the tools to take you there.
